

Giving monthly to CVCCS is such an important and rewarding way to invest in our community.

Did you know that giving monthly has just as much impact as large, one-time donations? As the needs get bigger and bigger in Lancaster County, your monthly partnership makes a world of difference. As a monthly partner, you'll be part of the fabric of our organization, playing a direct role in helping us advance our mission now and into the future.

Here are **SIX reasons why monthly giving benefits both you and CVCCS:**

1. Set it and forget it-

Monthly investments are automatic. That means once you sign up, you won't have to worry about remembering to support CVCCS. Simply enter your credit card information once and you're all set — the only thing you have to do from there is check in to see the great work we're doing!

2. Join an exclusive community-

Investing monthly allows you to be a part of one of the most important communities in our organization. You are always welcome to come to our facility and see what we're doing to address needs and change lives right here in Lancaster County. You'll be **amazed** at what you see!

3. Make a little go a long way-

Every dollar counts for organizations like CVCCS that run on the generosity of others. Additionally, monthly investments may even allow you to contribute more than you originally thought. *For example, spending \$500 all at once might be too much for the monthly budget to*

handle, but if giving \$50 every month is doable, you'll actually donate **\$600** by the end of the year!

4. Provide support during *slower months*-

While we would love to consistently break donation thresholds every month, the reality is that there are quieter periods throughout the year. For instance, we bank on a slow start to the new year, mainly because so many donations come in during the holiday season.

5. Allow CVCCS to run full speed ahead-

Your monthly investment will help us better steward our budget, set goals, and plan for the year. Recurring donations live under a planned rather than estimated income bucket, which allows us to meet more needs in our community.

6. Plant the seeds for organization growth-

With a loyal and passionate community of monthly investors like you, we can focus our time and resources on new ways to meet needs in our community while expanding our existing programs and ministries. More than providing monetary support for growth, monthly investors often inadvertently help our outreach efforts when they tell their own friends and families about who we are and what we do.

To become a monthly investor, please go to **cvccs.org/give** and choose an amount listed or pick your own amount. Then, hit '**Yes, make my gift a recurring monthly donation.**'

Here are a few examples what your partnership as a recurring monthly donor can do:

- ***\$50/month*** provides a family of 4 with a monthly visit to our Food Bank.
- ***\$100/month*** provides new socks & underwear for 25 Clothing Bank clients.
- ***\$250/month*** provides more than 20 bags of food for Weekend Blessings.
- ***\$500/month*** provides 100 meals for our Summer Lunch Club.
- Or you can select '***OTHER***' for a different amount.

Let's Address Needs and Change Lives together in Lancaster County!
