

At **CVCCS**, our mission is rooted in fostering **self-sufficiency & sustainability** in our client's lives. We believe **true compassion & charity** offers those in need the opportunity to **thrive** through relationships and accountability. Whether we're providing food, clothing, mentoring, financial assistance, or financial counseling, every ministry and program we offer centers around **individualized, holistic, & transformational charity**.

Giving monthly to CVCCS has just as much **impact** as a large, one-time donation. As a **monthly partner**, you'll be a part of the very fabric of our organization, playing a significant role in helping us advance our mission of **addressing the needs** and **changing the lives** of our struggling neighbors.

Here are 3 reasons why monthly giving benefits both you and CVCCS:

1. You set it and forget it!

When you become a monthly giving partner, you don't have to worry about remembering to support CVCCS. Simply enter your credit card information once and **you're all set!**

2. It makes a little go a long way.

Giving monthly may allow you to contribute **even more** than you originally thought! For example, giving \$500 all at once may be too much for the monthly budget to handle, but if giving \$50 every month is doable, you'll *actually* donate \$600 by the end of the year!

3. Together, it allows us to meet more needs.

Recurring donations live under a "planned" rather than "estimated" income bucket, **which allows us to meet more needs in our community!**
