

At CVCCS, we appreciate **group service project** requests. The spirit of service in Lancaster County is what makes our community so special! We receive many requests from groups asking to come to our facility to serve.

However, because of how we operate, we are not typically set up for group service projects. At our facility, we serve one client at a time by appointment only. Additionally, we do not have weekend operating hours (Tuesdays-Thursdays, 8:30am-3:30pm). Groups that desire to complete service projects can serve CVCCS by doing a collection/drive.

Additionally, individual members of groups are encouraged to volunteer at CVCCS, which is always needed! Visit cvccs.org/volunteer for more info.

Here are some great group collection ideas below that can be done year-round!

- New or slightly used shoes.
- Personal care items.
- Winter coats.
- Underwear (all kids and adult sizes).
- Dental hygiene kits (toothbrushes, toothpaste, floss, mini mouthwash).
- Backpacks and school supplies.
- Non-perishable Food (non-expired food).
- Clothing items (new or gently used only).

Visit cvccs.org/partners for more info.

We also give birthday bags to our clients (kids and adults) close to their birthdays when they come in for appointments.

Birthday Bags include:

- Box of cake mix.
- Tub of icing.
- Party favor.
- Disposable aluminum cake pans.
- Decorative paper plates and napkins.

Visit cvccs.org/birthdaybags for more info.

If you have any questions, please don't hesitate to contact us at 717-208-3711.
Thank you for your partnership!

Jon Barrett | Executive Director of CVCCS
